President's Message

This year's Annual Fall Conference was another great success. A special "Thank You" goes out to everyone who contributed to this great event. The Council worked hard to secure great speakers, handle registration, and make sure everything ran smoothly over the day and a half event. Again this year, the staff at Strathmere were wonderful and accommodating during the planning stages, and throughout the whole conference. Of course, this conference would not be possible without the generous support of our numerous sponsors.

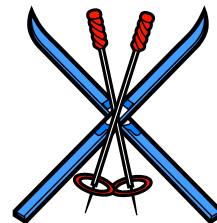

We are looking forward to another great year as the CCVA council plans the return of many great social events, more Continuing Education, and works at preparing for the 111th Fall Conference. Mark your calendars for October 23rd and 24th, 2014!

We also welcome a new member to our Council, Genevieve Theriault. We look forward to her insight and contribution to our organization!

Dr. Brianne Griffith, CCVA President 2014
